

Projection SCREENS

For Bright, Clear Images in Well-lit Rooms

InFocus portable screens 40"/50" diagonal

InFocus' latest addition to its accessory line, the InFocus Portable Screen is the smallest most compact screen available. With the choice of a 40" or 50" diagonal size and the unique Wide Power fabric, the InFocus Portable Screen is perfect for tabletop presentations. Lightweight and easy to use, it is the ideal companion for an ultra-portable projector.

• Easy Setup

Set up is a snap with the InFocus Portable Screen, simply fold out the legs and open the case.

• Foldable Base

The base of the InFocus Portable Screen makes the screen stable while protecting the surface it is placed on.

• Two Size Choices

The InFocus Portable Screen is available in two sizes, 40" and 50" diagonal and is offered with the unique Wide Power screen surface.

• Compact and Lightweight

Weighing only 5 pounds and less than 29 inches long, the InFocus Portable Screen is truly ultra-portable.

Deluxe Insta-Theater Screen, 60" Diagonal

(HW-DLXSCRN)

The Deluxe Insta-Theater screen with its sleek case design and pneumatically assisted set up is the ultimate in portable projection screens for today's applications. The 60" diagonal size is available with the Wide Power projection fabric. The portability and ease of set up makes the Deluxe Insta-Theater the perfect choice for business presentations on the road or for portable home theater systems.

• Easy Setup

The Deluxe Insta-Theatre screen is uniquely designed to lift up and out of its sleek aluminum case and is ready to use in seconds. Just open the case, pull up the screen and the scissors lock holds the screen in place.

• Locking Foot Pad

Lightweight and self-standing so it goes anywhere.

• Pneumatic Scissors Support

The pneumatic scissors support mechanism assists with the raising of the screen surface and allows one finger height adjustment.
